

DRIVER EDUCATION FEE WAIVER APPLICATION 2026–2027 SCHOOL YEAR

Dear Parent/Guardian,

Your child may be eligible for a waiver of the Driver Education registration fee. To apply for a waiver, the parent/guardian must submit this application along with a current School Nutrition Services certification letter showing that the student qualifies for free or reduced-price meals. The certification letter must include the student's name, identification number, and current eligibility status. Applications submitted without a current certification letter will be denied. (Sending this form will not change your free or reduced-price meals status.)

Please email the completed fee waiver application and a copy of the School Nutrition Services certification letter to the Driver Education Department at zundreav.baldwin@cms.k12.nc.us. Please do not submit this application to School Nutrition Services or your school's main office. If you need another copy of your certification letter, please contact School Nutrition Services at 980-343-6041. If you have questions regarding the Driver Education Fee Waiver process, please contact the Driver Education Department at 980-343-6159.

*Confirmation of certification status and placement in a class could take up to 30 days.

☐ Yes, I authorize the Driver Education Department to review the attached School Nutrition Services certification letter to determine my child's eligibility for a Driver Education Fee Waiver.
